Librarians, When your library needs children's books, why not consult with a specialist?

At Book Wholesalers, we specialize in supplying libraries with children's books. We are large enough to supply you with every children's book you need - yet small enough to offer you personalized, dedicated service. Quite simply, we work with you to make sure you will never have to worry about children's books again.

We offer you:

- One source ordering
- Triple checks on all orders
- 30 day delivery or status report of order guaranteed
- Subject listings of books
- Customized paperwork
- Standing order plan
- Representative visits to your library to assure great service
- Electronic ordering: convenient toll-free ordering by FAX, telephone or computer

Our goal is to delight you with our service.
