We all know that books burn — yet we have the greater knowledge that books can not be killed by fire. People die, but books never die. No man and no force can abolish memory. No man and no force can put thought in a concentration camp forever. No man and no force can take from the world the books that embody man's eternal fight against tyranny of every kind. In this war, we know, books are weapons. And it is a part of your dedication always to make them weapons for man's freedom.

— Franklin D. Roosevelt.

SIRS PRINT SYSTEMS

- Easy-to-read reprinted articles
- Allows multiple access to resource
- Thoroughly indexed collection
- Microfiche (42x) at no extra cost

SIRS provides reference systems structured into collections of loose-leaf volumes containing reprinted articles on science and social science topics. More than 20,000 libraries worldwide use the 34-volume **Social/Critical Issues Series**, the 5-volume **Science Series** or the new 4-volume **Global Perspectives Series**. SIRS volumes make thousands of articles on general topics readily available to patrons of a resource center. Articles originate from a worldwide selection of newspapers, magazines and documents, including nearly 100 foreign publications.

Sample articles available upon request.

SIRS CD-ROM SYSTEMS

- Thousands of full-text articles
- Over 800 sources
- Keyword, LC and browse searches
- Network and stand-alone hardware

SIRS CD-ROM brings full-text articles to your library in an easily retrievable format. **SIRS Combined Text & Index CD-ROM** contains the same articles published in the SIRS Social/Critical Issues, Science and Global Perspectives series. The user may view an article on-screen and print text or download onto a floppy diskette. Bibliographic citations automatically appear on every article printout; they may also be tagged and printed out to create a bibliography. Various network and stand-alone hardware packages are available to suit specific library needs.

Request a 30-day preview of the actual program or a Demo Tour on Floppy Diskette.
