LIBRARY DEVELOPMENT FUND

promoted by

THE AMERICAN LIBRARY ASSOCIATION

WHAT IS THE PURPOSE OF THE FUND?

To maintain a library representative in Washington and to carry on a national public relations program supporting the development of good library service for all citizens.

WHY DO LIBRARIES NEED REPRESENTATION?

Because every library and librarian is affected by federal laws and regulations of increasing number and importance.

Because many of the thirty-five million Americans without public library service will continue without it for a long time unless there is federal aid.

Because good libraries for all citizens are a basic necessity in a thriving democracy.

WHAT IS THE GOAL?

\$105,000 for four years of activity. Total contributions received by Treasurer through June 7th, \$940.42.

It is not too late. Send your contribution to the Treasurer of the Association.
