NORTH CAROLINA LIBRARIES

VOL. V

FEBRUARY, MAY, 1946

Nos. 1 AND 2

DIRECTORY OF NORTH CAROLINA LIBRARIANS

A recognized need for a listing of North Carolina librarians has led to the incorporation of two issues of *North Carolina Libraries* into a directory. At the request of the Executive Committee of the North Carolina Library Association, the Membership Committee, composed of Janie F. Allsbrook, chairman, Mrs. Virginia Crumpler Adams, Mrs. Barbara Eaker Heafner, and Minnie Kallam, sent out questionnaires to individual librarians and to heads of large libraries to secure the necessary facts. From the information received in answer to the questionnaires, the following directory has been compiled.

Information given is: name, library school if a graduate, position, library, location. An asterisk denotes, for white librarians, membership in the North Carolina Library Association and, for Negro librarians, membership in the North Carolina Negro Library Association.
