DIRECTORY OF NORTH CAROLINA LIBRARIANS

A recognized need for a listing of North Carolina librarians has led the Executive Committee of the North Carolina Library Association to instruct the Editor of *North Carolina Libraries* to devote an occasional issue to the publication of a directory. The last such issue was published May, 1946. Material for the present issue was secured through two questionnaires. A double post-card was sent to all members of the North Carolina Library Association. A form letter was sent to heads of all white libraries of all kinds throughout the state asking for data on staff members who were not members of North Carolina Library Association. Information given is: name, library school if a graduate, position, library, location, and membership in North Carolina Library Association.

The membership list of the North Carolina Negro Library Association which begins on page 20 was graciously supplied by Mrs. Nell Brooks Wright, Librarian, George Moses Horton Branch, Carnegie Public Library, Winston-Salem, North Carolina.

A.L.A. MEMBERSHIP DIRECTORY

The American Library Association has recently published a directory of its membership for 1949. The A.L.A. Membership Directory is no longer a part of the A.L.A. Handbook or a requisite of membership. Published separately, the 400 page volume contains the names and addresses of 19,694 members in good standing as of November 1, 1949. The designation of division affiliation, if any, for each member is included.

There are additional features which include national, state, provincial, and regional associations as well as local library clubs and other citizen organizations. Many state agencies are listed which include institutional library supervisors and school and children's library supervisors. Also given are library periodicals of national, regional, state, provincial and local coverage.

The A.L.A. Membership Directory will be of interest not only to libraries, but to publishers, book dealers, binders, and suppliers of library needs. Priced \$5. The A.L.A. Membership Directory may be ordered from American Library Association, 50 East Huron Street, Chicago 11, Ill.

An Invitation

A cordial invitation is always open to North Carolina librarians, library workers and trustees, who have not done so, to affiliate with their state and national library associations.

Today's high standing of librarianship among the learned professions can be attributed largely to the cooperative efforts of past and present members of the library profession working through professional organizations.

The responsibility for maintaining and improving this standing rests upon today's active workers in the library field. The only practical method of meeting this responsibility and of showing appreciation for past achievements is to actively and financially support the North Carolina Library Association and the American Library Association.

The present dues of the North Carolina Library Association are \$1.50 annually, payable biennially.

The Chairman of the membership Committee of the North Carolina Library Association is Miss Edith Clark, Rowan Public Library, Salisbury, North Carolina.

The North Carolina Chairman of American Library Association Membership Committee is Mrs. Harlan Brown, St. Mary's College, Raleigh, North Carolina. A.L.A. dues begin very low and are scaled according to salary.
