

SALUTE TO PUBLIC LIBRARY SECTION LEADERS

Charlesanna Fox, Chairman of the Public Library Division of the North Carolina Library Association, and the several Committee Chairmen of the Public Library Division have been working unceasingly and most successfully during the current biennium to improve and promote public library development in North Carolina.

Working hand in hand with Charlesanna Fox has been Elizabeth House and the grand group of Associates which Miss House has at the Library Commission. It is difficult to divide the credit for all the accomplishments between the Commission Staff and the Public Library Division, but the results of the work bids fair to become historic accomplishments for public libraries in North Carolina.

Charlesanna Fox gracefully passes the credit to the Committee Chairmen, but Charlesanna has been giving the leadership which is so necessary for real accomplishment. Elizabeth House likewise passes the credit to the wonderful Staff she has assembled as her Associates in Raleigh.

To list all the accomplishments of the two groups working together is beyond the purposes of this note, but public librarians will be proud when all this work is detailed at the next North Carolina Library Association meeting.

The purpose of this note is to salute Charlesanna Fox and her co-workers, and Elizabeth House and her Staff.
