

INSTITUTE ON COUNTY AND REGIONAL LIBRARY SERVICE

The Graduate School of Library Service of Rutgers University has announced an Institute on County and Regional Library Service for June 7-11, 1954 in New Brunswick, New Jersey. The program has been planned by a group of librarians from six states in the region.

Primary attention will be given in the Institute to practical, constructive means for improving county and regional libraries, from questions of government and management to service out in rural areas. Formal presentations by experts from inside and outside the library profession will be followed by brief prepared statements by selected participants in the Institute and then by organized group discussion.

The University fee for the Institute is \$15.00. Dormitory space is available for the week at \$7.00, and meals will be available at moderate cost in the University Commons. Registration is open to individuals engaged in municipal, county or state library service who have an interest in problems of library extension. Academic credit of one graduate point is available for individuals who meet the requirements for graduate standing at Rutgers and who pass an examination on the Institute.
